This is a list of United States-based companies since 2001 who have imported products on a commercial basis, directly or indirectly, from the Republic of Cuba to the United States.

Products have included agricultural commodities, food products and healthcare products. Some have imported more than once.

Companies importing informational materials and artwork are not included.

NOTE: If there are companies not included in this list, please contact council@cubatrade.org with the name of the company and the product(s) that was exported. Not donated product.

Company	State	Product
